Intellectual Property

All intellectual property, records, documents and other papers or electronic images or material, together with any copies or extracts thereof, made or acquired by DRA members, volunteers, staff or contractors in the course of their employment or volunteer engagement with DRA remain the property of DRA.

All intellectual property, records, documents and other papers or electronic images or material, together with any copies or extracts thereof, made or acquired by DRA members, volunteers, staff or contractors in the course of their employment or volunteer engagement with DRA must be returned on demand or otherwise no later than upon the termination of employment or volunteer engagement and remain at all times the property of DRA.
